

Year 3 Homework letter - Friday 21st January 2022

Could I please remind you that as the weather is still very cold, the children need to have warm coats that can be zipped up. It also wouldn't hurt for children to wear appropriate extra layers under their uniform during the school day, as classrooms have to be well ventilated.

English:

Year 3 have continued to look at our book 'The Pied Piper of Hamelin' by Michael Morpurgo and Emma Chichester Clark. This week we began to plan our own innovated story based on the Pied Piper text. We created our own characters, brainstormed ideas for animal infestations, decided on ideal locations for our dilemma to occur and finally created a complete story map to follow.

Maths:

The beginning of this week saw us continuing our learning on addition. The children on Monday and Tuesday used formal column addition to solve one-step and two-step word problems. Later in the week we looked at using the column method for subtraction. Please use the calculation policy I handed out at Parents and Carers'

evening to further support this new methodology.

$$\begin{array}{r} 3 1 \\ 3 4 3 \\ - 2 3 7 \\ \hline 1 0 6 \end{array}$$

Loveworks:

Following the excellent response over the last few years, we have once again decided to support the local charity Loveworks. This half term we would like you to donate.
