

## Year 3 Homework letter - Friday 28th January 2022

As the weather is still very cold, the children need to have warm coats that can be zipped up. It also wouldn't hurt for children to wear appropriate extra layers under their uniform during the school day, as classrooms have to be well ventilated. Could I also remind you Year 3 usually have P.E on Mondays, therefore their kits need to be in at the start of the week.

### English:

Year 3 have continued to look at our book 'The Pied Piper of Hamelin' by Michael Morpurgo and Emma Chichester Clark. This week we began by writing the introduction to our own innovated story using the story plan we created last week. The children enjoyed being creative in writing their introduction, problem, resolution and conclusions. On Friday they looked at reading through, editing for grammar and punctuation and finally improving their work.

### Maths:

This week the children continued with subtraction. We moved onto borrowing from the hundreds and tens place value columns to solve calculations. We ended the week by using these learnt skills to solve one and two step subtraction word problems. Please see the calculation policy I handed out at Parents and Carers' evening for information.

**Guided Reading:** This weeks guided reading is on "Burns Night". Please read the text provided and answer the attached questions.

**Maths:** This week's Maths homework will be set on MyMaths. The task is related to Subtraction and addition. The MyMaths logins can be found inside their homework books.

**History:** This term in history we have been looking at the Iron age and the Celts who lived during this period. Using the internet please research 'Iron Age' Meal recipes. Once you have found one that you like: prepare, cook and serve the meal to your family. To evidence this please take a photo and stick into your homework book. Please complete this by 9th February.
