

Nutfield/South Nutfield – Ukrainian Refugee Crisis Aid

There has been a huge response in the village of people who would like to do something to help support the Ukrainian people fleeing from war.

We will be holding a village meeting at

8pm on Monday 28th March

The purpose of this meeting will be to discuss the various ways that we can help. For some people that might be considering hosting families and for other people it will be about providing a support network in the village. All ideas welcome!
