

## Year 2 Homework Letter, Friday 4th March 2022

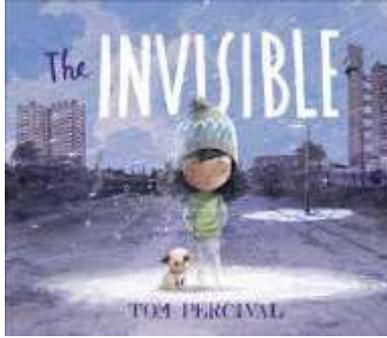

*It's been a busy week in Year 2!*

The children (and teachers) thoroughly enjoyed our Expressive Arts Day on Wednesday. It gave the children an opportunity to work with other teachers and children across EYFS and KS1, and to enjoy a day of art, drama and music.

### English

This week we have continued to enjoy reading the story 'The Invisible' and exploring the characters and themes. As well as some story retelling and diary entries, we looked at the way in which Isabel's community changed when people came together. We compared images from the book and wrote a list of instructions on how to improve our local area.

### Homework

Please practise the spellings that are stuck into the homework book. Please listen to your child read every day for 10 minutes, and it can be any book not necessarily one from school.

### Sponsorship Form for: The Bishop of Southwark's Lent Call 2022

This year the Lent Call is asking us to support the work of Southwark Diocese to provide homes, shelter and food for those affected by the economic situation and natural disasters brought about by climate change in their four Link Dioceses in Zimbabwe and also the displaced in Beirut in their Link Diocese in Jerusalem. To support the Lent Call we are asking children to raise money through either giving something up or taking something up for the 40 days of Lent. We are encouraging children to collect sponsorship money for each day they manage this. Lent begins on the Wednesday 2nd March and ends on Thursday 14th April. A tab has been set up on ScoPay for sponsorship money to be paid into during the first week of the summer term.

Have a lovely weekend,  
Mrs Cordey and Miss Murray—Year 2

### Maths

This week in Maths our focus has been on measure. We have.....

- Talked about measure in general
- Explored the different weights in school from 10g to 1000g and items that weigh less or more than 1kg
- Used the balance scales to weigh a number of items
- Investigate capacity by looking at different measuring vessels

Homework please complete the Purple Mash tasks on weight.

### Easter Gardens

St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. It has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 28<sup>th</sup> March so the Faith Team and Rev Phe can judge them on Tuesday 29<sup>th</sup> March. They will then be displayed in the hall from Tuesday 29<sup>th</sup> until Thursday 31<sup>st</sup> March where there will be an opportunity for each class to visit the hall to look at the different creations. The winning entry will be announced in our Easter Service on Thursday 31<sup>st</sup> March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Friday 1<sup>st</sup> April where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>
