

## Year 3 Homework letter - Friday 11th March 2022

Mrs Benjamin and I have really enjoyed working with Year 3 this week. We *have been really impressed with the children's motivation, effort and behaviour!*

Well Done Year 3! We have had a lovely week with you. Mrs Brooks.

### English:

This week in English we started our new book '*Leon and the Place Between*'. The children began the week by immersing themselves into the circus. Thinking about all the sights, sounds and smells they might experience whilst at an event. This allowed them to create word banks to use in their own writing throughout this topic. Through the week we discussed in depth the authors use of poetic language and then had a go at writing our own stanzas for a poem.

### Maths:

This week we began by recapping our learning from autumn on the properties of 2d and 3d shapes. We identified the number of edges, faces and vertices a shape possessed. We also moved on to looking at other properties such as: angles (acute, obtuse and right angle) and if they have parallel and perpendicular lines within them.

### Dates:

**St Patricks Day**— Thursday 17th March

**Comic relief day**-Friday 18<sup>th</sup> March

**Parent and Carer Evenings**-Monday 28<sup>th</sup> March,  
Tuesday 29<sup>th</sup> March and Wednesday 30<sup>th</sup> March  
3.30-6.00pm

**Rescheduled Year 3 Collective Worship:** - Wednesday 30th March

### Lent Call

Please do continue to collect money for the Southwark Diocese Lent Appeal. Information about this can be found in the Homework letter dated 25th February.

We hope you all have a restful weekend.  
Mr Bowen, Mrs Boyle and Mrs Young.

### Homework

**Maths:** *This week's Maths homework will be set on MyMaths. The task is related to shapes MyMaths logins can be found inside their homework books.*

**Geography:** *This term in Geography we are looking at different counties within the U.K. However this week I would like you to read up on our county, Surrey and create a mini fact file. Using the internet or books I would like you to research: 3 places you can visit in Surrey, 3 of it's biggest towns, any major sporting teams within it, 3 rivers and it's highest point.*

**Spellings:** *Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.*

### Easter Gardens

*St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. It has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 28<sup>th</sup> March so the Faith Team and Rev Phe can judge them on Tuesday 29<sup>th</sup> March. They will then be displayed in the hall from Tuesday 29<sup>th</sup> until Thursday 31<sup>st</sup> March where there will be an opportunity for each class to visit the hall to look at the different creations. The winning entry will be announced in our Easter Service on Thursday 31<sup>st</sup> March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Friday 1<sup>st</sup> April where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>*
