

Year 4 Homework letter - Friday 11th March 2022

English

This week in Year 4 we started our work on *Jabberwocky*, a poem written in 1871 by Lewis Carroll. The poem is full of nonsense words and this week we have been investigating what these words might mean within the context of the poem. Despite their initial surprise about the poem, the children are now really getting into it and making some excellent predictions about the words and reading a deeper meaning into the text.

Maths

This week in Maths we have been revising area and perimeter. We recapped how the perimeter encompassed the outside of a shape and that the area encompassed the interior of the shape.

Easter Gardens

St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. It has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 28th March so the Faith Team and Rev Phe can judge them on Tuesday 29th March. They will then be displayed in the hall from Tuesday 29th until Thursday 31st March where there will be an opportunity for each class to visit the hall to look at the different creations. The winning entry will be announced in our Easter Service on Thursday 31st March.
