

Year 4 Homework letter - Friday 4th March 2022

English

This week Year 3 continued to look at 'The Invisible' By Tom Percival. This book is being covered by every year group as part of our book week celebrations. We wrote diary entries talking about how Isabel, the main character, would have been feeling. We also wrote our own version of the story.

Easter Gardens

*St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. It has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 28th March so the Faith Team and Rev Phe can judge them on Tuesday 29th March. They will then be displayed in the hall from Tuesday 29th until Thursday 31st March where there will be an opportunity for each class to visit the hall to look at the different creations. The winning entry will be announced in our Easter Service on Thursday 31st March. We welcome individual entries or joint entries with siblings or friends! The gardens will be **taken over to St Peter and St Paul's Church** on Friday 1st April where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>*

Maths

This week in Maths we have been looking at units of metric measurement and converting them. We converted millilitres into litres, kilograms into grams, millimetres into centimetres and centimetres in metres. We can now convert length, weight and volume.

Metric Measurements		
kilo	thousand	1000 millilitres = 1 litre
gram	metre / litre	
centi	hundredth	1000 grams = 1 kilogram
milli	thousandth	1000 metres = 1 kilometre

Homework

Spellings: The spellings this week are words which have the sound 'tion' at the end.

Maths: Please complete the sheets in homework books.

Multiplication: I would like the children to practise their timetables. With this in mind, I have added applications and games to Google Classroom.

Reading: Please continue to read over the weekend.

And finally... If you have any quick questions or concerns please feel free to drop an email to info@nutfield.surrey.sch.uk to arrange a time for a meeting. Please do keep an eye on the school website which lists all the key dates for the Spring Term.
