

Year 6 Homework Letter

11-3-22

Maths

In Maths this week we have been describing 2-D and 3-D shapes by their properties, such as: faces, edges and vertices.

The angles of a 2D shape are sometimes referred to as 'vertices' (singular: vertex). For example, this 2D shape has four sides and four angles (vertices):

The faces are the flat parts of the shape. The edges are the lines where two faces meet.

The vertices are the points where two or more edges meet.

For example, this 3D shape has 6 faces, 12 edges and 8 vertices:

Some 3D shapes, like cubes and pyramids, can be opened out and unfolded into a flat shape. The unfolded shape is called the **net** of the **solid**. We have made some shapes using their nets.

English:

This week, we explored poverty, the impact it can have and some the differences around the world. The children investigated its causes, its consequences and they wrote a balanced argument comparing global poverty with poverty in the UK.

Dates for your diary:

Thursday 17.3.22: St. Patrick's Day - green shirt

Friday 18.3.22: Comic Relief Day- wear sports clothes

Tuesday 22.3.22: Year 5/6 Easter Experience - Reigate Park church

Friday 25.3.22: PTFA Quiz Night - 7.30pm - 10.00pm

The Bishop of Southwark's Lent Call 2022

This year the Lent Call is asking us to support the work of Southwark Diocese to provide homes, shelter and food for those affected by the economic situation and natural disasters brought about by climate change in their four Link Dioceses in Zimbabwe and also the displaced in Beirut in their Link Diocese in Jerusalem. To support the Lent Call we are asking children to raise money through either giving something up or taking something up for the 40 days of Lent.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. An Easter Garden is the recreation of Christ's tomb. The children's gardens should be brought into school on Monday 28th March so the Faith Team and Rev Phe can judge them on Tuesday 29th March. The Easter Gardens will then be displayed in the hall from Tuesday 29th until Thursday 31st March where there will be an opportunity for each class to visit the hall to look at the different creations.

Homework

This week, our homework is spellings, a sheet of Maths to revise our learning about nets of a 3-D shapes, two pages from our revision book and a small reading comprehension.

Maths: page 73,74,

English: page 56,57

Enjoy your weekend!

Kind regards,

Mrs. Cox and Mr. Peluso
