

IN FOCUS: HEALTH, NUTRITION, FLAVOURS

Less sugar!

We make desserts consciously, reducing refined sugar and adding fresh fruit. Did you know our delicious yoghurts were developed with our pupils and we use stevia to make them delicious?

Golden Wholegrain to support an active brain

Our bread, desserts and pizza are not only tasty but made using top quality, healthy Golden Wholegrain flour from Marriages' Millers who have been milling since the Victorian times. The ingredients are something we are super proud of. To check out our high quality standards in sourcing, visit itsTwelve15.co.uk/marks-of-quality

We now offer vegetarian options for everyone with special dietary requirements with amazing food on the plate, as featured on our website www.itsTwelve15.co.uk

Good news for meat eaters too, by introducing new ideas and flavours to make sure your taste buds stay excited!
