

Year 2 Homework Letter - Friday 13th May 2022

This week we have been prepping for our 'Special Challenges' which start next week!

Water bottles, sun hats and waterproofs

Next week is set to be very warm. Please can you send your child to school with a water bottle which we take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing sunscreen. As the weather can be variable, can I ask that the children keep a waterproof in their bags should it rain.

English

This week, after finishing our information leaflets about wolves, we have been revising grammar and spelling. We have recapped:

- Nouns
- Adjectives
- Verbs
- Commas for lists
- Apostrophes
- How to recognise past tense
-

Homework

Please let me know if there are still any problems accessing Espresso. This week I have set a task to do on adding 'ing, ed and er'.

There are lots of great videos and activities that we use in class to practise these grammar terms that we have revised this week.

Biodiversity and Sustainability week 23.5.22

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Jubilee. Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags etc. Thank you.

Maths

This week we have been revising many aspects of Maths that we need to recap for next week.

We have been practising:

- Odd and even numbers
- How to read half past the hour
- 2D shapes and their names and numbers of sides
- 3D shapes (their properties for example how many edges a shape has, for example a cube has - 6 faces, 8 vertices and 12 edges)

Please practise these elements at home.

Homework

We continue to do as much reading in class as we can and we have been working hard on our spellings. Please read as regularly as you can at home and remember to record this, or any other reading, in the reading record.

Dates

'Special Challenges' to take place from Tuesday 17th to Friday 27th May

School Photographer—17.5.22

PTFA School Disco—20.5.22 4-5pm
