

Year 2 Homework Letter - Friday 20th May 2022

Well done to Year 2 who have approached their 'Special Challenges' with confidence and resilience this week!

Water bottles, sun hats and waterproofs

Please remember to send your child to school with a water bottle which we take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing sunscreen. As the weather can be variable, can I ask that the children keep a waterproof in their bags should it rain.

English

This week, we began a new book 'The Bear and A Piano' by David Litchfield. It is a beautiful tale of fame and friendship. We have used the text so far to make predictions about the story, and used the imagery to write sentences about the story using conjunctions and used modal verbs - would, should and could - to write a letter to Bear advising on whether he should leave his friends in the forest for fame and fortune in the city.

Homework

I have set a list of 10 spellings which all focus around spelling rules we have been learning in class this term - for example: badge (j ending), match (tch ending) and clapped (doubling a consonant when we write in the past tense).

Biodiversity and Sustainability week 23.5.22

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Jubilee. Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags, leaflets, magazines, newspaper - anything that is fairly flexible. Thank you.

Maths

This week we have been learning about fractions.

We have been practising:

- Identifying fractions
- Fractions of a shape
- Looking at a fraction wall

- Fractions of quantities

Homework

I have set some fraction homework on My Maths. I am sending another set of logins and passwords home in their reading records.

Please read as regularly as you can at home and remember to record this, or any other reading, in the reading record. Four times a week is ideal.

Dates

'Special Challenges' to take place from Tuesday 17th to Friday 27th May

Biodiversity and Sustainability week- 23.5.22

Jubilee Tea Party - 3.6.22 3-5pm
