

Year 2 Homework Letter - Friday 29th April 2022

I hope you all had a restful break. The Summer newsletter is now on the school website detailing all the learning we are looking forward to this term.

English

We have begun reading a new book in English called 'Wolves' by Emily Gravett. It has inspired us to read more books about wolves and to think about the way these mysterious creatures are portrayed. We carried out research to see what we could find out and this week we wrote a detailed character description of them. We are working towards writing an information leaflet about wolves.

Homework

Every child should now have an Espresso login. The website is:

<https://www.discoveryeducation.co.uk/resources/primary/espresso/>

Please look at some of the Grammar and Punctuation activities in the KS1 English section, especially the word section and plurals which we have covered this week.

Wisley trip

Years 1 and 2 had a fantastic time at their first ever education visit to Wisley this week. The children and adults enjoyed the different types of trees, exotic plants, birds, food and wildlife there. And of course we enjoyed the play areas too! Thank you parents for your support and for those who came.

Maths

This week we have been learning about place value and partitioning. It is important that we understand that 2 digit numbers are made up of 10s and 1s, and we are now learning that 3 digit numbers are comprised of 100s, 10s and 1s. We have been learning that $123 = 100 + 20 + 3$.

Homework

Please find in the homework books, a login for MyMaths. You may have had a login for this in the past but we have not used it for some time. There is an activity set on this learning platform about place value. The children are also learning coding using 2Go on Purple Mash.

Water bottles and sun hats

As we approach Summer, we ask that you please send your child to school with a water bottle which we take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing suncream.

Dates

Next week in RE, Reverend Len will be carrying out a teddy baptism! So could all children who are in school (not at Young Voices) bring in a teddy bear please.

PTFA Bags to School Collection—12.5.22

School Photographer—17.5.22

PTFA School Disco—20.5.22

Biodiversity and Sustainability week—23.5.22
