

Year 3 Homework letter - Friday 13.05.2022

Thank you to those who have already brought recyclable material in to prepare for our biodiversity and sustainability week beginning Monday 23rd May. We still need a lot more material, so please do keep the donations coming.

English:

This week Year 3 continued to look at our new book 'Flotsam' by David Wiesner. This week the children started by planning their innovated sequel following the next character who discovered the mysterious camera within the other flotsam at the beach. Their focus was on the use of fronted adverbials, noun phrases, use of preposition, and use of powerful verbs within their writing.

Maths:

This week, we have recapped multiplication using the formal multiplication method to multiply a two digit number by a 1 digit number. To start the week of we focussed on using the 4 and 8 times tables.

	3	4			
	x	5			
	2	0	(5 × 4)		
1	5	0	(5 × 30)		

Homework

Guided Reading: Next week in our English lessons we will be looking at the "volcanoes" Please read the text provided and answer the attached questions.

Maths: This week's Maths homework can be found stuck into the homework books and will be on Multiplication. Please use the formal column addition method to solve the questions (see adjacent Maths work).

Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.

Science: This term in science we have been looking at the topic 'animals including humans'. We have been paying particular attention to the importance of diet for the human body. The homework over the next two weeks will be to research a healthy meal, find a recipe and cook it! The children will need to hand-write their chosen recipe and take a picture of themselves with the finished product. I will then stick this into their science books and I hope to create a classroom display celebrating their achievements.

This will be due in on Wednesday 25th May. Please keep the recipe work and picture safe and lose within their homework books.

Dates:

School Photographer—17.5.22
PTFA School Disco—5.15-6,15pm—20.5.22
No Ark After school— 26.5.22

Reserve Sports Day—8.7.22
Music Concert—12.7.22
Open Evening—14.7.22
No Ark AM or PM- 21.7.22
No Ark AM or PM- 22.7.22

Biodiversity and Sustainability week 23.5.22

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Jubilee. Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags etc. Thank you

We hope you all have a restful weekend.
Mr Bowen, Mrs Boyle and Mrs Young.
The Year 3 Team
