

Year 3 Homework letter - Friday 29th April 2022

Welcome back Year 3! I do hope you all had a restful Easter and that you are all looking forward to the Summer term!

English:

This week Year 3 have begun to look at our new book 'Flotsam' by David Wiesner. Flotsam is a textless book that allows the children to be creative and imagine what is happening and what might happen next. This week we started by telling the story to each other using our own thoughts and ideas with a focus on fronted adverbials to accurately sequence the story.

Maths:

This week, we have recapped on place value. We have consolidated our understanding of: how to partition three digit number and ordering and compare numbers. We then used this knowledge to help us with our addition when adding a three-digit number to another three-digit number.

Homework

Reading: Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding.

Guided Reading: Next week in our English lessons we will be looking at the "Egyptians". Please read the text provided and answer the attached questions.

Maths: This week's Maths homework can be found stuck into the homework books and will be on addition. Please use the formal column addition method to solve the questions.

Multiplication: Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these timestables. Do spend as much time as possible accessing times Times Tables Rockstars as it's a fun and interactive way to improve their fluency.

Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.
