

Year 4 Homework letter - Friday 6th May 2022

English

This week during English we have been carrying on with the 'The Iron Man' by Ted Hughes. We have been focusing on modal verbs. Modal verbs are an auxiliary verb that expresses necessity or possibility. Modal verbs include must, shall, will, should, would, can, could, may, and might. Using modal verbs we offered the main character, Hogarth, advice on what he might do about his Iron Man situation. We expressed these thoughts in a letter.

Maths

This week we have been revising the formal method of division. The children have worked incredibly hard on the method, and made excellent progress. The progress was so impressive that we have moved onto division with remainders.

Biodiversity and Sustainability week 23.5.22

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Jubilee. Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags etc. Thank you.
