

Year 5 Homework letter - Friday 20th May 2022

The children thoroughly enjoyed Geography this week! They learnt all about river formation and the different parts of a river and made beautiful leaflets!

English

This week we have conducted research into *Philippe Petit's life*, ready to start writing a biography next week.

Maths

We have been learning about shape this week. The children have been classifying both 2D and 3D shapes according to their properties. They have been making nets of 3D shapes using polydron and paper. They were so proud of themselves. As a challenge, the children made London landmarks out of complicated nets.

Biodiversity and Sustainability week 23.5.22

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Jubilee. Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags etc. Thank you

Homework

Spellings: There are spellings in the children's homework books. Please complete these and practise them at home.

English: There is a reading comprehension stuck in homework books. Please complete this.

Maths: There is a selection of maths to complete on MyMaths linking to shape.

Reading: Your child should be reading everyday for at least 20 minutes.
