

Year 4 Homework letter - Friday 17th June 2022

English

This week during English we started our new book, 'Weslandia'. Wesley's an outcast from the civilization around him - he's not into pizza or football or haircuts. During the summer holidays, he has a brilliant idea: he'll found a civilization of his own - in his back garden! From this seed a whole world grows and blooms - the extraordinary, imaginative world of Weslandia! Wesley creates his own food, clothing, shelter, games, language even, and gradually wins over the other children.

Hop a thon- Wednesday 29th June

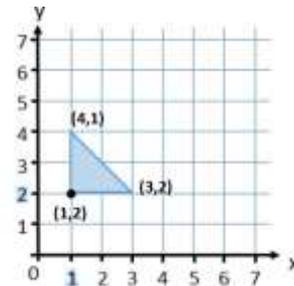

Our annual Hop a Thon aims to raise money to fund the ongoing costs of our farm. Our hope is that each child will be able to collect at least £10 through sponsorship. Each year group is to do a big hoppy task. You can sponsor your child for each hop he/she does or you can sponsor him/her for the completing the whole hoppy task! Last year we raised an amazing £1500—I wonder if we can beat that total this year? Thank you in advance for your support. Please see the attached sponsorship forms.

Maths

This week we have been revising coordinates and plotting shapes using coordinates. The children have worked incredibly hard and understand that they need to follow the coordinates along the X-axis before moving up the Y-axis. Or as I continually say, 'along the corridor and up the stairs'.

Homework

Spellings: The spellings this week focus on possessive apostrophes with plural words.

Maths: Please complete the Maths sheets inside the homework books. This week we are focusing on the 7, 8 and 9 times tables in order to prepare for the 'Multiplication Timetable Check'.

Multiplication: With the 'Multiplication Timetable Check' upon us, please practise times tables with the children. Use the link via Google Classroom to access a replica of the test.

Reading: Please continue to read over the weekend and make a note in the yellow reading log.

And finally... If you have any quick questions or concerns please feel free to drop an email to info@nutfield.surrey.sch.uk to arrange a time for a meeting. Please do keep an eye on the school website which lists all the key dates for the Summer Term.
