

Year 4 Homework letter - Friday 24th June 2022

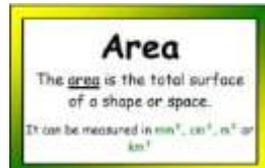

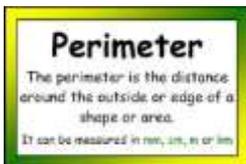

English

This week during English we have been continuing our work on, 'Weslandia'. During the course of the week we have constructed our own shelters and described them using adverbials. We have also made predictions about what might happen next in the story.

Maths

This week we have been revising area and perimeter of 2D shapes. The children have worked incredibly hard this week on furthering their understanding.

Hop a thon- Wednesday 29th June

Our annual Hop a Thon aims to raise money to fund the ongoing costs of our farm. Our hope is that each child will be able to collect at least £10 through sponsorship. Last year we raised an amazing £1500—I wonder if we can beat that total this year? Thank you in advance for your support. Children are encouraged to dress up as rabbits

The Indian Dance Workshop

Last Friday, Charlotte joined us in school to teach the Year 3s and Year 4s some Indian Dance. This was inspired by Bollywood, with some of the dance steps being lifted straight from some of the movies. The children all got involved and did tremendously. They listened attentively, and by the end of the session had mastered the routine. A great time was had by all.
