

## Year R Homework Letter Friday 24<sup>th</sup> June 2022

### Our learning this week -

We have continued to learn about Space. We watched video clips of the moon landings and discussed similarities and differences between the moon and Earth. In EAD we learned about the technique of marbling using marbling ink. The children made some beautiful patterns with the ink to create planets. We are looking forward to showing these off (along with all of their other creative projects) at the Art Exhibition on the 4<sup>th</sup> and 5<sup>th</sup> of July.

In RE, we have been learning stories about Jesus that show him being a rescuer. We read together the story about Jesus healing the blind beggar.

### Literacy

In Literacy we have been reading the book 'The Man on the Moon' by Simon Bartram. The children loved this book and thought the illustrations were really interesting. The book is all about Bob, who is the man that goes to work every day in his rocket and looks after the moon. The children then wrote some brilliant recounts of Bob's day. We were really impressed with their sentences and the effort they put into their writing!

### Maths

In Maths we have been learning about addition. The children have been combining two groups of amounts to work out a total. They used the part-whole method and cubes to work out their answers. We have also recapped numbers to 20.

### Sun Cream

We would be grateful if you could apply sun cream to your child before they come to school in sunnier weather. Please be aware that we are not able to apply sun cream to your child and if they bring in sun cream, they must be confident to do this themselves. Children should also bring in a sun hat and a water bottle. Water only in bottles please. Thank you for your understanding.

### Optional Homework

Please continue to support your child with their revision of Phase 3 Phonics.

### Hop a Thon and dress-up day

Our annual Hop a Thon aims to raise money to fund the ongoing costs of our farm. Our hope is that each child will be able to collect at least £10 through sponsorship. Each year group is to do a big hoppy task. You can sponsor your child for each hop he / she does or you can sponsor him/her for the completing the whole hoppy task! Last year we raised an amazing £1500—I wonder if we can beat that total this year?

This year the Hop a Thon is taking place on Wednesday 29<sup>th</sup> June. Each year group will have a slightly different 'hopping' challenge. Year R will hop to one end of the field.

We are actively encouraging children to dress up as rabbits, chickens or any animal which they choose to participate in the Hop a Thon! **Please could sponsorship money be paid to school by Friday 8<sup>th</sup> July.** Our preferred method of payment is Scopay, your child's online account. If you do not have an online account, please contact the school on [info@nutfield.surrey.sch.uk](mailto:info@nutfield.surrey.sch.uk) for details. Once logged into Scopay, please scroll down the 'Trips and Events' section which has the 'Hop a Thon' link where you can pay your child's sponsorship money.

### Diary Dates

Saturday 25<sup>th</sup> June: PTFA Summer Garden Party 12.00 - 3.00pm

Friday 24<sup>th</sup> June: Sports Day 1.00am

Wednesday 29<sup>th</sup> June: Hop a thon

Friday 1<sup>st</sup> July: Inset Day

Monday 4<sup>th</sup> July - Tuesday 5<sup>th</sup> July: Art Exhibition

Wednesday 13<sup>th</sup> July: Reception Class Collective Worship 9.00am - parents and carers welcome!

Thursday 14<sup>th</sup> July: Open Evening 3.30 - 5.00pm

Have a lovely weekend

Mrs Boyle, Mrs Summers, Mrs Fowler and Mr Eddington
