

## Year 3 Homework letter - Thursday 30.06.2022

It was great to see so many of the children dress up for our annual Hop-a-Thon. Please can all sponsorship money be paid via ScoPay or brought into school by Friday 8th July. Thank you in advance.

### English:

This week in English we have continued reading *Black Dog* and using this to inspire our work in class. The children have been working hard to use contractions correctly, including placing the apostrophe in the right place. They have been using this skill throughout all of their writing this week. They have most recently been focusing on how to use exclamation marks for effect. In the book, the youngest member of the Hope household goes outside to see the enormous, black dog. The children were tasked to write persuasively to stop the child from going any further outside or to convince her to come back into the house. The writing that the class produced was fantastic, they worked incredibly hard to use exciting and dramatic language and end their most dramatic sentences with an exclamation mark.

### Maths:

This week, we have recapped time. As a class we have looked at telling the time in 5 minute intervals and to the nearest minute. To finish the week of year 3 looked at calculating how much time had passed from a start point to a finish point.

### Homework

**Guided Reading:** Please complete the stuck in sheet entitled 'Celebrating the NHS'.

**Maths:** This week's Maths homework can be found stuck into the homework books and will be linked to telling the time.

**Geography:** This half term in geography we have started to look at natural disasters. This week we have focused on earthquakes. Using the books and the internet complete the sheet entitled 'Earthquake information'. You have two weeks to complete this activity and it will be due in on 13/07/22

**Spellings:** Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.

### Water bottles and sun hats

Now we have entered the hottest part of the year, we kindly ask that you send your child to school with a water bottle (**Please no juice**) which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing suncream. However, please do keep an eye on the weather as children will still need coats if it rains.

### Sports Day

Thank you to all those that attended and supported their children during sports day! It was great to see so many parents back in the school cheering, laughing and being so jolly marvelous! Well done to all our Saints teams who put in a tremendous amount of effort across the afternoon's events. Congratulations also to this year's winners St Andrew's.

We hope you all have a restful weekend.  
The Year 3 Team
