

## Year 3 Homework letter - Friday 08.07.2022

### English:

This week in English we have finished reading our focus book, *Black Dog*. The children spent time thinking about what they liked or disliked about the book and made some excellent connections to other books with a similar theme, characters or settings.

They have now begun to write their own version of *Black Dog* using their own mysterious animal. Their stories will follow the same basic plot but the children have been very creative in thinking of new characters, settings and descriptions of their main animal. Throughout this story writing process, the children will be encouraged to use the most exciting and imaginative language that they can. For this, they will be encouraged to use a thesaurus to identify different synonyms that they could include to make their writing more interesting.

### Maths:

This week, we have recapped properties. As a class we have looked at identifying a shape's name through its properties: 2D faces, number of faces, vertices and edges.

### Dates:

Music Concert—12.7.22 6:00—7:00pm

Open Evening—14.7.22 3.15—5:00pm

No Ark AM or PM- 21.7.22

No Ark AM or PM- 22.7.22

We hope you all have a restful weekend.  
The Year 3 Team

### Homework

**Guided Reading:** Please complete the sheet in the book entitled '*Planets*'.

**Maths:** This week's Maths homework can be found stuck into the homework books and will be linked to properties of shapes.

**History:** This week in history I would like the children to create their own word search using vocabulary from our Ancient Egypt topic. For example: pyramid, mummies, papyrus etc.

**Multiplication:** Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these times tables. Do spend as much time as possible accessing Times Tables Rockstars as it's a fun and interactive way to improve their fluency.

**Spellings:** Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.

### Water bottles and sun hats

Now we have entered the hottest part of the year, we kindly ask that you send your child to school with a water bottle (**Please no juice**) which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing sunscreen. However, please do keep an eye on the weather as children will still need coats if it rains.

### Art

I hope that all of you who were able to attend the art exhibition enjoyed the amazing work showcased across each year group. I am so incredibly proud of the Year 3 children and how much effort they put into all the art we have done this year.
