Maths

This week we have been revising area and perimeter of 2D shapes. The children have worked incredibly hard this week on furthering their understanding.

The Indian Dance Workshop

Last Friday, Charlotte joined us in school to teach the Year 3 and Year 4 Indian Dance. This was inspired by Bollywood, with some of the dance steps being lifted straight from some of the movies. The children all got involved and did tremendously well. The listened attentively, and by the end of the session had mastered the routine. A great time was had by all.

The Hopathon

On Wednesday afternoon Year 3 and 4 took to the field to take part in our first annual Hop-A-Thon. All of the children had a great time. Please can all sponsorship money be paid via Sco-Pay or brought into school by Friday 8th July. Thank you in advance.
