

Year 5 Homework letter - Friday 7th July 2022

Thank you for coming to visit the Art Exhibition. The children had such a good time showing you around and looking at their art.

English

This week we have continued with our new book 'The Last Bear' by Hannah Gold. We have read 6 chapters this week and have revised conjunctions and contractions. Contractions are words that have been contracted to form another shorter version of the word—*can not becomes can't*. We did a 'big read' on Wednesday, where the children read 4 chapters of the book on the field with a partner. They enjoyed their reading time.

Maths

We have been learning about tables and data this week. The children have looked at different types of data in tables and interpreted it in different ways—answering reasoning questions about the given data.

Computing

We used the 'BeeBots' this week to do some coding. The children had to create a race course on paper and code their bot to complete the track. They absolutely loved their afternoon!

PE Kits

All PE kits should be bought in on a Monday and will be sent home when it is dirty or on a Friday up until the end of term.

Homework

This week, the children need to research Bear Island (Norway) and create a poster, PowerPoint or a leaflet. I would like to know:

- What is on Bear Island,
- How long it takes to get there,
- Where is it on Earth,
- Why it is inhabited
- Who lives there.

Diary Dates

Music Concert—12.7.22 6pm to 7pm
Open Evening—14.7.22 3.15pm to 5pm
No Ark - 21.7.22 (am and pm)
No Ark - 22.7.22 (am and pm)

Production

We would like to invite Year 5 children to sing during the Year 6 production on the 18th and 19th July at 6pm. A Parentmail will follow with more information. Please do keep an eye out for it.

And finally... If you have any quick questions or concerns please feel free to drop an email to info@nutfield.surrey.sch.uk to arrange a time for a meeting. Please do keep an eye on the school website which lists all the key dates for the Summer Term.

Miss Mitchell and Mrs Ross

Water bottles and sun hats

Now we have entered the hottest part of the year, we kindly ask that you send your child to school with a water bottle (Please no juice) which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing sunscreen. However, please do keep an eye on the weather as children will still need coats if it rains.
