

Year 6 Homework Letter

15-07-22

End of year production.

The children have been very busy this week rehearsing for their production. Last Friday, 15th July, Year 6 performed their dress rehearsal of the end of year production 'The Greatest Show'. It was fantastic!

On Monday 18th and Tuesday 19th. July our evening performances will take place. The children will have the option to either stay at school or choose to go home and then return before the start of the performance which is scheduled to begin at 6pm. For those who would like to stay, I shall organise pizzas or if the children prefer they may bring their own snack. The children who decide to go home, must please be back at school by 5pm at the latest.

It was a real team effort involving the whole school, from the making of the costumes and props, to the learning of lines and songs.

Thank you to Year 5, for singing as part of the chorus, to Miss Mitchell for designing and making the props, to Mr Kolindreu for helping to hang the back drops and lighting and to all teachers who helped with this amazing production.

Thank you parents for supporting your children through the practises and most of all...

Thank you children! They have all worked incredibly hard to learn their words and dances.

*There will be a collection afterwards for **JRDF** (Juvenile Diabetes Research Foundation Ltd).*

Thank you for your generosity in advance.

Things to remember

Year 6 - School Production—18.7.22/19.7.22 — 6:00 pm - 7:00 pm

Year 6 - Leavers' Service — Christ Church — 22.7.22 - 9:30am

This is my last letter to all of you. I must admit I have tears in my eyes as I am writing this. Time has gone by so fast... They say time flies when you are having fun. I guess it's true. This has been an incredible year for us. We have grown and learned so much ... We have shared all kinds of moments: happy, sad, fun, magical...

Each of the children has given their best; each of them has worked hard throughout this year. I can't find the words to describe how proud I am of them.

I'm grateful for all we have shared. I would especially like to thank the children for helping me to become a better teacher. Thank you for reminding me that my job is not a job, but a passion. I love being a teacher more and more every day. Each child has made a difference to me.

Mr Peluso and I will remember you always.

JRDF (Juvenile Diabetes Research Foundation Ltd)

It is a charity registered in England, Wales and Scotland committed to eradicating type 1 Diabetes. DRF research has led to new developments in diabetes technology and treatment and is laying the foundations for a cure. They support everyone living with Type 1 Diabetes, by working with policy makers to increase availability of treatments and by providing information and resources to help people manage their condition.

Year 6 Business enterprise end of year project

The children worked hard during their end of year enterprise project. The total amount that they raised was £203.95! Well done! I am sure that it will be used well so the children have a fabulous end of year party.

It has been a pleasure to teach your children. We wish them all the very best for the future. Have a lovely summer!

Regards,

Mrs Cox and Mr Peluso
