

Year 5 Homework letter
Friday 14th January 2022

It was so nice to meet you all at the Meet The Teacher meeting on Wednesday.
Thank you for those who came.

English

This week in English we have completed a piece of writing based on our school. I am very impressed with the standard of their writing!

Maths

This week in Maths we have completed an assessment and starting our unit on place value!

Science

As part of our Science unit of work 'Animals including Humans' the children thought about what a balanced diet is and what a balanced meal would look like. They then designed a meal plan for a week and decorated it in their Science books.

Harvest

We are soon to be launching our Love Project this term with the children and wanted you to also be aware of what our plans are! This year, in partnership with Christ Church in the village, we will be supporting a local charity called 'Open Hands'. To find out more about the charity please click on the following link <https://www.openhandsreigate.com/>

Christ Church PCC would like to continue to support Open Hands by collecting items of food that can be used for their Food Bank. We have received an amazing response from parents and children previously, so would like to operate the collection as we have done in the past few years: by asking the children in each year group at Nutfield Church School to collect a specific item.

To help us support this charity please could you bring in: Sweet biscuits, savoury biscuits, easy cook rice, rice pudding, children's cereal.

Homework

Optional half-termly homework: As part of our Science and Design & Technology unit of work, I would like the children to help you cook or bake something over the next couple of weeks. On Monday 19th October, we will be discussing how the children made the food and how it impacts on their balanced diet. Please send in a photo to the office, bring it in on a memory stick or print a photo of them cooking or baking to go into their Science books. The deadline for this is **Monday 18th October**.

For Maths this week, please practise times tables as much as possible. There will be a competition set up on Timestable Rock Stars. It is important the children know their times tables up to 12x12. Please do practise these weekly with the children as they are a vital part of their Mathematical knowledge. You can use Timestable Rock Stars to practise.

There are no formal spellings this week, instead there is a list of Years 3 and 4 spellings in their homework books. Let the children pick 10 of the words they find difficult and practise their handwriting on the handwriting paper.

I hope you all have a restful weekend.

Miss Mitchell, Mrs Ross and Mr Peluso
Year 5 Team

Dates

Year 5 -Aqua Sports - Wednesday 28th September -
Friday 30th September 2022

Harvest Service at Christ Church- Friday 7th October 2022 - 9.30am
