

Year 4 Homework Letter – Friday 16th September 2022

Our Learning This Week

English

In English this week, we have started reading 'Swift's Gulliver' retold by Martin Jenkins. The children have written a description about Gulliver using facts and inference from the text. We have written sentences using fronted adverbials to express the time, place and manner in which events have occurred for him. The children have also used different sentence types (command, statement, exclamation and question) to design a poster all about Gulliver.

Maths

This week in Maths, we have been learning how to represent numbers to 1,000 including those that have no tens or no ones, to reinforce the idea of using zero as a placeholder. We have been partitioning numbers up to 1,000 writing the numbers in expanded form identifying the number of hundreds, tens and ones in a 3-digit number. The children have revisited using a number line to 1,000, labelling, identify and finding missing values on blank or partially completed ones. The children also looked at the composition of multiples of 1,000 by exploring how many hundreds they are made of. The children have applied themselves fully to this work and are all making super progress.

Homework

This week's English activities are to learn the spellings for Week 2. For Maths the children must practise their 7 times table.

P.E

This week the children have continued with cross country and tag rugby as the focus of their P.E lesson. The children did brilliantly practising passing a rugby ball whilst moving; I was really impressed by their sporting abilities.

High Ashurst

The children will be attending High Ashurst next week on the Wednesday, Thursday and Friday. Please arrive at school by 7:45 am, the coach will be departing at 8am. Please pick your child up from school at 5:15pm. Please provide your child with a packed lunch each day and plenty of water. The children should wear suitable clothing for physical activity including a waterproof jacket. If you have any questions please don't hesitate to contact me.

Love Project -

Thank you so much for all of the donations we have received so far. Please could your child continue to bring in jars of coffee, fruit juice cartons, squash and long life milk. The collected items will be taken to church on the 7th October as part of our Harvest Festival service.
