

## Year 6 Homework

### 4- 11-22

### Maths

In Maths this week, we revised long division. The long division method is used when you are dividing a large number (usually three-digits or more) by a two-digit (or more) number.

**Step 1:** 15 into 3 doesn't go, so look at the next digit.  
15 goes into 36 two times, so put a 2 above the 6.  
 $15 \times 2 = 30$   
Take that 30 away from the 36 to get your remainder.  
 $36 - 30 = 6$

**Step 2:** Next, carry the 4 down to make 64.  
15 goes into 64 four times, so put a 4 above the 4.  
 $15 \times 4 = 60$   
Take 60 from the 64 to get your remainder.  
 $64 - 60 = 4$

**Step 3:** Carry the 0 down to make 40.  
15 goes into 40 two times, so put a 2 above the 0.  
 $15 \times 2 = 30$   
Take 30 from the 40 to get your remainder.  
 $40 - 30 = 10$

**Final Answer:** 242 R10

As part of our 'Love Project' for the Autumn term we are asking families to support Operation Christmas Child. Operation Christmas Child is a project of Samaritan's Purse, a Christian international relief organisation. Through Operation Christmas Child, Samaritan's Purse aims to provide children affected by war, poverty, natural disaster or famine with shoeboxes filled with small toys, hygiene items, and school supplies. This year, in conjunction with Christ Church, we have provided each class with five Operation Christmas Child shoeboxes. We are asking the children to bring in a couple of items suitable for boys or girls between the ages of 5 and 9 to fill these boxes by 14<sup>th</sup> November. Please look on the Samaritan's Purse website for ideas: <https://www.samaritans-purse.org.uk/what-we-do/operation-christmas-child/what-goes-in-my-shoebox/>

### English

This week, we have understood the features of a diary entry. A diary entry is an account in which the writer explains what has happened to them.

Here's a checklist of the key features to use when a diary entry is written.

- Start with 'Dear Diary'.
- Describe the places where the events happened.
- Write in the past tense.
- Use pronouns like I, my and me to show that the events happened to you.
- Talk about how you were feeling or what you were thinking when each event happened.
- Use rhetorical questions.

We wrote three diary entries from the perspective of Romeo, Juliet and Tybalt. Romeo, a Montague, and Juliet, a Capulet, met at a party at the Capulet's house and they fell in love. Romeo shouldn't have been there and Juliet's cousin Tybalt saw him and decided to get revenge for the insult.

### Dates to remember

11.11.22 - Remembrance Service @ 11.00 a.m.

25.11.22 - INSET Day, School Closed

30.11.22 - St. Andrew's day (wear a blue T-Shirt/top)

28.11.22- 30.11.22 - Parents and carers' Evenings from 3.30-5.30

### Homework

This week's homework in Maths is a worksheet to revise our learning about long division, some grammar questions and spellings.

Thank you for your continuing support.

Regards,

Mrs Cox and Mr Peluso.
