

## Year 1 Homework Letter-Friday 2nd December 2022

### English

This week we have continued with the book 'Send for a superhero' by the well known author Michael Rosen.

We have begun to create our own version of the Send for the Superhero story about baddies attacking a school. We thought carefully about sectioning our writing into the 'beginning', the 'middle' and the 'end'.

Have you read any other books by Michael Rosen e.g. 'We're going on a bear hunt'? Perhaps you could bring them into school to share?

### Homework

Reading books will be changed 3 times a week on a Monday, Wednesday and Friday. Please read with your child every evening if you are able for 10-15 minutes. The children have also chosen a book from the school library which will be changed weekly. Please remember to return these.

Spellings- please get your child to practise the tricky word spellings that are in their homework book.

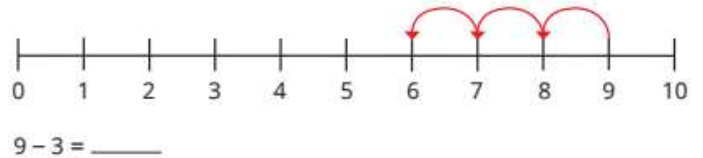

Have a lovely weekend,

Year 1 Team

### Maths

This week we have been learning about subtraction using a number line. The children use the method of "counting back" to find the answers to subtraction calculations.

### Homework

Please complete the attached sheet on subtraction. I have also set some related activities on Purple Mash.

### Parents and Carers Evenings.

It was a pleasure to see so many of you this week! It's always great to celebrate your children's successes and accomplishments with you. If you require any further discussions please do contact me through the school office and we can arrange a time to meet.

### Superhero day

Thank you for all your support with the costumes today. All the children were very excited and enjoyed being their own superhero for the day.

### Diary
