

Year 1 Homework Letter-Friday 9th December 2022

Thank you to all the parents who came to this year's Nativity. The children were amazing - we are SO proud of them.

English

This week we have focused on clear sentence construction and improving our sentences by using adjectives and conjunctions. All the children have gained so much confidence in their writing.

Please continue to practice at home by getting the children to sit their letters on the line and form them correctly.

Homework

Reading books will be changed 3 times a week on a Monday, Wednesday and Friday. Please read with your child every evening if you are able for 10-15 minutes. The children have also chosen a book from the school library which will be changed weekly. Please remember to return these.

Spellings- please get your child to practise the topic words that are in their homework book.

I have also included a list of 50 recommended reads for Year one that I thought might be helpful.

Have a lovely weekend,

Year 1 Team

Maths

This week we have been learning about 3d (e.g. cylinder, cube) and 2d shapes (e.g. rectangle, triangle). We have recognised and named them and sorted them into groups according to their properties. We also created repeating and symmetrical patterns with the shapes.

Homework

Please complete the attached sheet on shape. I have also set some related activities on Purple Mash.

This will be my last homework letter of 2022! Myself, Mrs Vaughney and Mrs Fowler have had a wonderful term teaching your children. It has brought me great joy in getting to know them over the last 4 months.

We all hope you and your families have a wonderful Christmas. Do rest up and we look forward to seeing you all in 2023!
