

Year 3 Homework letter - Friday 2nd December 2022

English:

This week Year 3 have been filled with wonderful creativity! The children have begun to write their personally innovated story, based on their own giant. They have also created a character centred on themselves, taking them on a journey linked to the sequencing of the original BFG text. It has been delightful to see the children's inventive ideas coming to life as they take a journey to strange mysterious lands after being stolen away during the middle of the night.

Maths

This week we have continued with our 8x table. We have focused on: Adding or taking away multiples of 8, Sharing equally between 8, learning how to recognise how a number can be a multiple of 8 and solving world problems.
