

Year 5 Homework letter

Friday 2nd December 2022

It was assessment week this week. I am so proud of the effort all the children showed! Well done all!

English

We have continued with our book 'The Lost Thing' by Shaun Tan. This is a humorous story about a boy who discovers a bizarre-looking creature whilst out collecting bottle-tops at the beach. Having guessed that it is lost, he tries to find out who owns it or where it belongs, but the problem is met with indifference by everyone else, who barely notice it's presence. This week, the children have started writing their own versions of this story.

Maths

This week we have been revising our times tables and have started work on fractions.

Science

In RE, the children created their own stained glass window based on the nativity scene. These are beautiful and are up in our classroom.

PE

As the temperature is getting colder and wetter, the field is becoming increasingly muddy. We will still be doing PE outside as much as possible. Please provide the children with a spare carrier bag for any clothing or shoes that get muddy.

Wellbeing Wednesday

The children have PE with Pete (our sports coach) on Wednesday. They must have their PE kits in school. Any child not able to join in will be asked to read outside with the class.

I hope you all have a restful weekend.
