

Year 5 Homework letter

Friday 9th December 2022

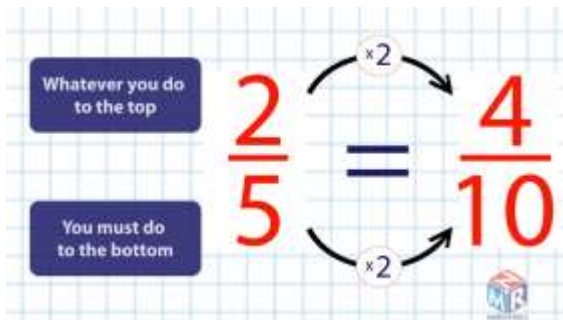

The children thoroughly enjoyed our RE lesson this week, where we looked at the meaning behind Christmas songs and then wrote their own song.

English

We have continued with our book 'The Lost Thing' by Shaun Tan. This is a humorous story about a boy who discovers a bizarre-looking creature whilst out collecting bottle-tops at the beach. Having guessed that it is lost, he tries to find out who owns it or where it belongs, but the problem is met with indifference by everyone else, who barely notice its presence. This week, the children have written their stories in neat and started to publish their own books, including illustrations.

Maths

This week we have been learning about equivalent fractions this week. The children have persevered with learning how to find them. The rule is, whatever you do to the top, you do to the bottom.

PE

As the temperature is getting colder and wetter, the field is becoming increasingly muddy. We will still be doing PE outside as much as possible. Please provide the children with a spare carrier bag for any clothing or shoes that get muddy.

I hope you all have a restful weekend.
