Maths

During our Maths lessons this week we have looked at how addition and subtraction relate to each other, considering the addition and subtraction fact families for numbers within 20.

$$\underline{\quad} + \underline{\quad} = 18$$

$$\underline{\quad} + \underline{\quad} = 18$$

$$18 - \underline{\quad} = \underline{\quad}$$

$$18 - \underline{\quad} = \underline{\quad}$$

Homework

Please complete the attached sheet linked to this week's learning. Please also practice counting in 10's to 100 and back again.

The Bishop's Lent Call 2023

As part of our spring term Love Project, we are once again supporting the Southwark Diocese Lent Call. The Bishop's Lent Call raises funds for local community projects in Southwark and the Link Dioceses in Zimbabwe and Jerusalem. In 2023, the theme is "mental health & well-being", and the Lent Call features projects that help with access to medical care both in England and in the Link Diocese of Jerusalem. Many are now needing support to deal with the pressures of life for this reason the Lent Call is supporting projects to facilitate well-being by developing strategies to cope with the stress and mental illness caused by our modern world. To support the Lent Call we are asking children to take part in a sponsored sporting challenge of their choice, as being outside and moving is great for releasing those feel-good endorphins which help improve our mental health and well-being. This sporting challenge could be a walk-a-thon, bike-a-thon, dance-a-thon or swim-a-thon. The sponsorship form is attached to this letter.
