Class collective worship — Wednesday 17th May

Year One Wisley trip - Wednesday 21st June

Maths

During our Maths lessons this week we have used a number line to 50 and seen examples of number lines with different start and end point values, as well as number lines between zero and 50 or between multiples of 10. They have used their knowledge of counting to label number lines counting up in 1's before labelling number lines counting in 10s. Building on this, they have found the position of given numbers on unlabelled number lines.

Homework

Please complete the attached sheet linked to this week's learning. Please also access the activities on purple mash.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch:
