

Year 1 Homework Letter - Friday 17th March 2023

English

This week we have started with a new book called 'Lost and Found' by Oliver Jeffers. What is a boy to do when a lost penguin shows up at his door? Find out where it came from, of course, and return it. But the journey to the South Pole is long and difficult in the boy's rowboat. The boy soon realizes what he has really left behind.

We made predictions about how to solve the problem in the story and then created a noun phrase to describe the character.

Homework

Maths

During our Maths lessons this week we have compared lengths and heights of objects using language such as "longer than", "shorter than" and "taller than". They then began to measure the lengths and heights of objects, using non-standard units of measure such as cubes or paper clips. Finally they measured the lengths and heights of objects using a ruler and a standard unit of measure: centimetres.

Homework

Please complete the attached sheet linked to this week's learning. Please also access the activities on purple mash.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch:
