

Year 2 Homework Letter - Friday 3rd March 2023

We had a super day on World Book Day! Thank you for all the amazing costumes and books, I hope they all arrived back home safely. We enjoyed a buddy reading session in the afternoon with Year 4.

English

This week we finished reading 'The Tadpole's Promise'. The children were rather taken aback by the story's ending! This week we have acted out the story and begun to plan our own using a storyboard.

Maths

Our learning on fractions continues! This week we have:

- Practised finding a quarter
- Recognising and finding a third
- Practical lessons where we have used counters to find a half, quarter or third
- We are trying to use our knowledge of halving and our 2 times table when finding $\frac{1}{2}$

As we work through the Spring term, we are practising reading and comprehension skills, primarily the 4 maths calculations in addition to our daily Maths lessons and grammar and spelling. Assessment week is week commencing 13th March and we will share the outcomes of these assessments with you at parents' evenings. Please read at home as much as you can and sign the reading record.

Dates

Parents' and Carers' meetings—27th to 29th March 2023

Easter concert - Thursday 23rd March 6pm

Easter service at Christchurch - Friday 30th March at 9.30am

Homework

Please learn the spellings in homework books. Please keep practising your 2, 5 and 10 times tables using songs and reciting them daily to commit to memory. For Maths, please find a sheet practising finding the amount of a number using halves, quarters and thirds. This week we learnt that the two numbers in a fraction are called numerator (top) and denominator (bottom) and it is the bottom number that tells us how many to share into/divide by.

Wellbeing

As Spring approaches, we are gearing up for a busy time weeding, planting and watering. This week we have planted more parsley and chives, and carrots and onions.

Thank you for all donations to LoveWorks, they have now been sent off to their warehouse and were gratefully received.

Lent Appeal

As part of our spring term Love Project, we are once again supporting the Southwark Diocese Lent Call. To support the Lent Call we are asking children to take part in a sponsored sporting challenge of their choice, as being outside and moving is great for releasing those feel-good endorphins which help improve our mental health and well-being. This sporting challenge could be anything from a walk-a-thon, bike-a-thon, dance-a-thon or swim-a-thon. Sponsorship money should be paid to the school via ScoPay during the first week of the summer term. Sponsorship forms were sent home last week.

Have a wonderful weekend,
Mrs Cordey, Miss Murray, Miss Lindsay
