

Year 2 Homework Letter – Friday 10th March 2023
Next week is Wellbeing Wednesday – please remember PE kits.

English

This week we planned and wrote our story 'The Chameleon's Promise'. Lots of children used fantastic punctuation and we are also trying to master the art of speech marks! Next week is assessment week.

Maths

Our learning on fractions continues! This week we have:

- Learnt about unit fractions (have a denominator of 1) and non-unit fractions (have a denominator greater than 1)

As we work through the Spring term, we are practising reading and comprehension skills, primarily the 4 maths calculations in addition to our daily Maths lessons and grammar and spelling. Assessment week is week commencing 13th March and we will share the outcomes of these assessments with you at parents' evenings. Please read at home as much as you can and sign the reading record.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch:
