

## Year 3 Homework letter - Friday 2nd March 2023

*It was great to see so many amazing outfits for this year's book week. The children's excitement and enjoyment was infectious!*

### English:

*This week in English we have continued our book 'Leon and the Place Between'. The children have begun to write their own versions using the skills learnt so far in this unit of work. The children have been using fronted adverbials, noun phrases, adverbs, speech and alliteration to write their own versions of their stories using themselves as the main character.*

### Maths:

*This week in maths we have continued to look at fractions. We have looked at finding fractions of an amount, ordering fractions on a number line and finished the week of by finding equivalent fractions using number lines and bar models.*

### Collective worship.

*It was marvellous to see so many of you last Wednesday at the Year 3 class collective worship. I would like to express my thanks to you, for the many kind, considerate and supportive words I received from so many of you.*

*The children performed to the best of their abilities and are a real credit to you. I was very proud of them all and I'm looking forward to the rest of our Year 3 journey together.*

### Dates

*Parent/Carer evenings- Monday 27<sup>th</sup> March-  
Wednesday 29<sup>th</sup> March.*

*Easter Service Christ Church - Friday 31<sup>st</sup> March*

*We hope you all have a restful weekend.  
Mr Bowen, Mrs Boyle and Mrs Russell.*

### Homework

*Maths: This week's Maths homework will be set on MyMaths. The task is related to Fractions. MyMaths logins can be found inside their homework books.*

### Science

*This term in science we have been looking at parts of a plant. This week I would like you to get creative. You can either: draw and design your own hanging basket, create a flower collage piece of artwork, plant your own flowers in a hanging basket or pot, or even start to grow your own flowers or vegetables from seeds. I would love to see any pictures of you undertaking your chosen activity. Do remember to continue to look after and care for any living plants*

*Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.*

### Love Project.

*On Tuesday we welcomed Moira Astin, the Archdeacon of Reigate to school. Moira led Collective Worship and talked about this year's Love Project which is supporting the Southwark Diocese Lent Call, - raising funds for local community projects in Southwark and the Link Dioceses in Zimbabwe and Jerusalem. To support the Lent Call we are asking children to take part in a sponsored sporting challenge of their choice. This sporting challenge could be a walk-a-thon, bike-a-thon, dance-a-thon or swim-a-thon. Please could all sponsorship money be paid to the school via ScoPay during the first week of the summer term. Many Thanks in advance.*
