

Year 3 Homework letter - Friday 10th March 2023

As the weather continues to be problematic, please do remember to send your children in with the correct waterproof clothing.

English:

This week in English we have continued our book '*Leon and the Place Between*'. This week we have focused on character speech. We have focused on using inverted commas and the grammar needed within speech. We then used our created conversations to create play scripts.

Maths:

This week in maths we have recapped on addition, subtractions, multiplication and division focusing around using the correct methods when faced with word problems.

Love Project.

On Tuesday we welcomed Moira Astin, the Archdeacon of Reigate to school. Moira led Collective *Worship and talked about this year's Love Project* which is supporting the Southwark Diocese Lent Call, - raising funds for local community projects in Southwark and the Link Dioceses in Zimbabwe and Jerusalem. To support the Lent Call we are asking children to take part in a sponsored sporting challenge of their choice. This sporting challenge could be a walk-a-thon, bike-a-thon, dance-a-thon or swim-a-thon. Please could all sponsorship money be paid to the school via ScoPay during the first week of the summer term. Many Thanks in advance.

We hope you all have a restful weekend.
Mr Bowen, Mrs Boyle and Mrs Russell.

Homework

Reading: Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding.

Guided Reading: Next week in our English lessons we will be looking at the " ". Please read the text provided and answer the attached questions.

Maths: This week's Maths homework will be set on MyMaths. The task is related to measurement. The MyMaths logins can be found inside their homework books.

Multiplication: Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these. Do spend as much time as possible accessing times Times Tables Rockstars as it's a fun and interactive way to improve their number fluency.

Spellings: Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.

Science: Please do continue with last weeks growing and planting activity. Thank you for the photos and work sent in so far.
