

Year 4 Homework Letter – Friday 10th March 2023

Our Learning This Week

English

In English this week, the children have been assessed on their reading and comprehension, spelling grammar and punctuation and writing. They have all been working most diligently in their preparations for the assessments and trying their best in each one.

Maths

In Maths this week, the children have been assessed on arithmetic and reasoning. As with the English papers the children spent lesson time revising to give the best opportunity to feel prepared.

I am in the process of marking all of the assessments and look forward to feeding the results back to the children in due course.

Collective Worship

Next Wednesday we are looking forward to welcoming parents and carers into school to watch our class Collective Worship. The children have all been working so hard this week as we have spent time each afternoon devising and rehearsing. The children have played a central part in the creation of our Collective Worship and we are very excited to share it with you next week!

P.E

This week we switched from quick sticks to dodge ball and will continue to do this game until the end of term. The children demonstrated great skills and team work and we wish our Year 4 team all the best in dodge ball tournament next week.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>

Homework

The English activities are to learn Week 4 spellings and complete the activity about punctuation. For Maths the children must practise all of their times tables (2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12) and complete times table worksheet the division worksheet.
