

Year 5 Homework letter - Friday 10th March 2023

Thank you for coming to support the children in Collective Worship this week. It was so lovely to see you all!

English:

This week in English we have been continuing with our book 'Hidden Figures'. The children focused on Katherine Johnson, she was the woman who had an incredible talent for Maths and changed the minds of many men. The children wrote her daughters a letter to explain what they should be and do when they are older.

Maths:

This week in Maths we have continued to look at percentages, decimals and fractions. They have learnt about equivalent fractions, decimals and percentages:

Homework

Spellings: Please complete the second session for this term in the Spelling packs!

Reading: There is a reading comprehension for the children to complete.

Maths

This weeks Maths homework is to practise the 4 operations and solve problems in the children's homework books.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>
