

Year 5 Homework letter - Friday 17th March 2023

It was Assessment Week this week! The children worked incredibly hard and I am very proud of them!

English:

This week the children have started planning an opinion piece of writing based on the story 'Hidden Figures'. Next week, we will be writing these in neat.

Maths:

This week in Maths we have continued to look at the area and perimeter of shapes. To find the perimeter you add up all the sides of a shape. To find the area you multiply the width with the length.

History

This week in History, we have learnt how the Mayans were ruled and compared this to how England is ruled.

Dates

Maths

This weeks Maths homework in on MyMaths and is area and perimeter based.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be taken over to St Peter and St Paul's Church on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>

We hope you all have a restful weekend. Miss Mitchell and Mrs Ross—The Year 5 Team
