

Year 5 Homework letter - Friday 24th March 2023

We had a lovely time at the Easter Experience on Thursday. The Easter Experience is an interactive re-telling of the Easter story presented by Sparkfish, a local, collaborative, Christian organisation. In this re-telling of the Easter story, children enjoyed moving around the auditorium watching the events of Holy Week unfold at different locations. The children were completely immersed in the experience

English:

This week the children have written an opinion piece of writing about the story 'Hidden Figures'. They have thought long and hard about the ideas and themes behind the book and wrote an opinion on each. The children used the paragraph structure of P E E which stands for Point, Evidence, Explain.

Maths:

This week in Maths we have continued to look at the area and perimeter of shapes. To find the perimeter you add up all the sides of a shape. To find the area you multiply the width with the length. We have also started working on statistics—looking specifically at line graphs.

Easter Gardens

Once again, St Peter and St Paul's Church are inviting the children to create an Easter Garden at home. Similar to the Nativity scene at Christmas, an Easter Garden is the recreation of Christ's tomb. An Easter garden has three essential features: a mound with at least one cross to represent Calvary; a stone or stone structure to suggest the empty tomb; and lots of live greenery and flowers. Easter Gardens should be brought into school on Monday 27th and Tuesday 28th March so the Faith Team can judge them on Wednesday 29th March. The winning entry will be announced in Collective Worship on Thursday 30th March. We welcome individual entries or joint entries with siblings or friends! The gardens will be **taken over to St Peter and St Paul's Church** on Thursday 30th March where they will be on display over the Easter period. If you would like to find out more about how to make an Easter Garden, RE Quest have made a short presentation you could watch: <https://request.org.uk/resource/restart/2017/02/23/make-an-easter-garden/>
