Library books will also be changed every Friday so please remember to send them in. Maths

During our Maths lessons this week we learnt that a half means "one of two equal parts" and are able to count them. We recognised when a shape or object is or is not a half, in addition to identifying the whole.

- Which pizzas have been cut in half?

- Which shapes show half?

Homework

Please complete the attached sheet linked to this week's learning. Please also access the activities on purple mash.

Please also continue to practice counting in 2's, 5's and 10's.
