

## Year 2 Homework Letter - Friday 12<sup>th</sup> May 2023

This week Year 2 have been preparing the hanging baskets for this summer. We have also been watering the lettuce, radishes, beetroot and carrots which are now sprouting in the kitchen garden. We have also planted potatoes in Trinity Gardens and waiting for our onions to be ready to plant out too.

### English

This week, we have begun to plan our own version of the 'The Bear and A Piano' by David Litchfield. We have:

- Thought of different animals and instruments and how we play them
- Chosen our own animal and instrument and found out about our animal
- Planned a story of their own

### Maths

This week are learning about mass and capacity.

- What is mass?
- Measuring grams
- Measure in kilograms
- 4 operations with mass

### Homework

- Please learn the spellings in homework books. We discussed these words in class. Practising every day really helps to commit them to memory.
- Please complete the Maths homework on 'mass' on Purple Mash. There are 4 tasks but just complete the ones the children feel confident with - to 5 minutes is tricky!
- Remember to read every school day and write in the reading record (date, name of book and an initial will suffice - thank you). We are practising reading comprehension in class so when reading consider asking retrieval questions and scanning back for the key words to find the answer.

Thank you to Reverend Len who came in to Year 2's RE lesson on Wednesday to carry out a Teddy Baptism. The children are learning 'Why Do Christians Make and Keep Promises Before God?'. Reverend Len put on his cassock, surplice and stole and carried out a Teddy Baptism where he shared the order of service which is used in church. The children joined in the words that the congregation repeat in church as part of the service. Finally, he blessed all the teddies and the children. It was adorable!
