

Year 3 Homework letter - Friday 05.05.2023

I do hope you all enjoyed your bank holiday weekend celebrating the King Charles and Queen Camilla's coronation. It was great to hear the many different things that the children got up to over the extended weekend.

English:

Year 3 continued to look at our new book 'Flotsam' by David Wiesner. This week the children started to write up their innovated sequel following the next character who discovered the mysterious camera. At the end of the week the children began to edit and check their work. Making sure it included: fronted adverbials, noun phrases, use of prepositions and powerful verbs.

Maths:

This week we continued to focus on time. As a class we covered: telling the time in intervals of five and one minute intervals, using AM and PM; telling the time on an analogue clock; telling the time on a digital clock; duration of events and timing how long events last. Please do help as much as you can at home with this, as telling the time is also a necessary life skill.

P.E. kits, water bottles and sun hats

As we approach Summer, we ask that you please send your child to school with a water bottle which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing suncream. Please could I also remind you that Year 3 do P.E on a Monday, therefore all children are required to bring their kit in at the start of every week.

We hope you all have a restful weekend.
Mr Bowen, Mrs Boyle and Mrs Russell.
The Year 3 Team

Homework

Maths: This week's Maths homework can be found on my maths and will again be on Time.

Spellings: Use the sheet provided to complete this week's spellings.

Science: Please continue to research a healthy meal, find a recipe and cook it! The children will need to handwrite their chosen recipe and take a picture of themselves with the finished product. I will then stick this into their science books and I hope to create a classroom display celebrating their achievements. I have included a template for your convenience. You can however create your own if you wish.

This will be due in on Wednesday 17th May. Please keep the recipe work and picture safe and lose within their homework books.

English Writing: On PurpleMash you will find a set to do activity entitled 'Interview with a book character.' I would like you to think of your favourite book character and think of questions that you would ask them, please also write their possible responses to your question. Remember I expect you to use question marks to end your questions and full sentence replies using capital letters and full stops.

Dates:

Biodiversity and Sustainability week—
Monday 22nd—Friday 26th May
