

## Year 3 Homework letter - Friday 28.04.2022

I do hope you all have a restful bank holiday weekend. I look forward to hearing what you all got up to on Tuesday 2nd May.

### English:

This week Year 3 continued to look at our new book 'Flotsam' by David Wiesner. The Children have been focusing on up-levelling their writing by using fronted adverbials linked to time to structure their writing. We then started to focus on the adjectives and verbs we use within our work and began to think of more powerful words to use instead that could give our writing as extra oomph!

### Maths:

This week, we have looked at money. We have focused on converting between pounds and pence, adding money, subtracting money and finding change.

### P.E. kits, water bottles and sun hats

As we approach Summer, we ask that you please send your child to school with a water bottle which we can take outside at lunchtime so they can stay hydrated. In very warm weather, please make sure they also come to school with a hat and wearing suncream.

Please could I also remind you that Year 3 do P.E on a Monday, therefore all children are required to bring their kit in at the start of every week.

### P.E Morning—Wednesday 3rd May 2023.

Next week, Year 3 will be taken for their well-being morning PE session with SupremeSports. Please could you remember that children will need their full P.E Kit.

### Homework

**Reading:** Please try to read every evening with your child. Do continue to ask them questions about what they have read to check their understanding.

**Maths:** This week's Maths homework can be found on my maths and will be on money.

**Multiplication:** Please use Times Tables Rock Stars to help improve your child's understanding and knowledge of these timestables. Do spend as much time as possible accessing times Times Tables Rockstars as it's a fun and interactive way to improve their fluency.

**Spellings:** Use the sheet provided to complete this week's spellings. An optional quiz will also be set on PurpleMash to complete.

**Coding:** As part of our computing curriculum this summer term we will be focusing more on coding. This week I have set three tasks to be completed on PurpleMash. These are called 'Fun with fish, Bubbles and Air traffic controller'. These can all be found in your to-do list.

### Dates

Monday 1<sup>st</sup> May - Bank holiday

Monday 8<sup>th</sup> May - Bank holiday

Friday 26<sup>th</sup> May - Mufti Day. Bring a bottle for the Summer Garden Party.

Monday 29<sup>th</sup> May - Friday 2<sup>nd</sup> July- Half Term.

We hope you all have a restful weekend.  
Mr Bowen, Mrs Boyle and Mrs Russell.  
The Year 3 Team
