

## Year 5 Homework letter - Friday 5th May 2023

I hope you all had a lovely extended weekend and are looking forward to a restful Coronation weekend.

### English:

This week we continued 'The Man Who Walked Between the Towers' by Mordacai Gernstein. We have researched into Philippe Petit's life and started writing a biography.

During the week 15th May, we will start our new book for Guided Reading and our English lessons. It is The Last Bear by Hannah Gold. We have enough copies for the children to share, but please feel free to buy your child their own copy.

### Maths:

We have continued with our work on shapes. This week, we have focused on calculating angles on lines and within shapes, also accurately drawing shapes. We have also been focussing on classifying shapes based on their properties.

We hope you all have a restful weekend. Miss Mitchell and Mrs Ross—The Year 5 Team
