

Year 5 Homework letter - Friday 19th May 2023

The children had a very successful session with Pete on Wednesday's Wellbeing Session.

The was followed by a Numeracy session with Miss Woods, where the children had to plot the layout of the school and work out the area of each room.

English:

We started our new book in Guided Reading English this week. It is *The Last Bear* by Hannah Gold.

The children have absolutely loved the first few chapters and cannot wait to continue with the story.

We have enough copies for the children to share, but please feel free to buy your child their own copy.

Maths:

We have continued with our work on shape this week, primarily focusing on lines of symmetry and reflection.

Timestable Rock Stars:

As your children may have told you, we have had a TTRS session 3 times a week for the past **10 weeks**. **The improvement in the children's scores, recall, time and consistency has been fantastic.** I am incredibly proud of them and their achievements.

Homework

Spellings: Please complete the third session on the spelling packs.

Reading: There is a reading comprehension for the children to complete.

Maths: Please log onto Times Tables Rock Stars and compete in the competition against Year 3. The competition works around an average score per class—not ability; so the more the children play and log on, the higher the score.

All the children have to do for their score to count is to log on and play any of the games.

Dates	
Rounders Tournament Years 5 and 6	Tuesday 23 rd May
Year 5 Science at St Bede's.	Friday 26 th May

Year 5 Science at St Bede's.	Friday 30th June
Year 5 Science at St Bede's.	Friday 14th Ju- ly

Biodiversity and Sustainability week—Wednesday 7th June —Friday 9th June

During this week all the children will be able to participate in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week will finish with a 'Trashion show' where each class will have the chance to design and make an outfit out of recycled materials linked to the theme of 'The Kings Coronation.'

Please can your child start to bring in recycled materials for this outfit e.g. bottle tops, bubble wrap, tinfoil, plastic bags, cereal boxes etc.

Thank you in advance for your help and support.
