

Year 2 Homework Letter - Friday 9th June 2023

Thank you to Mr Kolndreu and family who kept our veggies and watered over the holidays. We have lots growing - it's very exciting! The children are going out in small groups daily to water and weed.

English

This week, we have started a new book called 'A Walk in London'. We went for a walk around the school thinking about time adverbials to describe our journey. In class, we mapped out our walk detailing where we went and what we saw. We will be learning about the village and the places in it - so if you get an opportunity to talk about it, that would be really helpful. Any interesting facts would also be gratefully received!

Maths

This week we have been completing our learning on volume and capacity. Please, if you can, look for learning opportunities at home to discuss measure of all sort - measuring the length or height or something or the mass or weight of an object. We will then move on to learning about 'Statistics' (which includes learning about data - tally charts and bar charts) and finally 'Position and Direction'.

Dates

Wednesday 14th June - Year 2 Wellbeing
Wednesday - PE kits please
PTFA Wear trainers for sweets for the Summer Garden Party - 16th June
21st June - Year 2 Class Collective Worship
Year 2 visit to Tower Bridge - Wednesday 28th June (packed lunch/trainers and a waterproof depending on weather forecast)
Sparkfish Think Space W/C 19th June
PTFA Summer Garden Party - 24th June
Trinity Farm Blessing and Hopathon- 29th June (9.30am blessing)

Mrs Cordey, Miss Murray and Miss Lindsay

Homework

- Please learn the spellings in homework books. We discussed these words in class. Perhaps learn them at the weekend and then practise them every day before our spelling test on Friday.
- Please complete the Maths homework which is linked to our learning on volume and capacity on Purple Mash.
- It is so important to read every school day and would appreciate a note in the reading record (I know some children are starting to write in their own reading record but if they could do it in pencil or black pen please - thank you!).

Hop-a-thon

On Thursday 29th June the children will be participating in our annual school Hop-a-thon. Please find a letter and sponsorship form enclosed. Thank you for your support.

Biodiversity and Sustainability Week

This week, as part of our Outdoor Learning Biodiversity and Sustainability Week, the whole school got involved in an array of diverse, engaging and educational activities which will raise their awareness of environmental issues. The week concluded with a 'Trashion show' where we designed and made an outfit out of recycled materials linked to the theme of 'Kings and Queens' for the Coronation.
